

SCHOOL NURSE

Hartland International School is seeking to appoint an English speaking School Nurse with DHA license.

Hartland International School opened in September 2015 and is rapidly developing a reputation for excellence in learning and teaching in Dubai. We provide the best possible education for every child in our care and import the very best practices from independent schools around the globe. We combine a unique blend of academic challenge, enrichment opportunities and pastoral support to target excellence and create a values based community of teachers, children and parents.

The Role

An English speaking school nurse with a DHA license is required as soon as possible. The successful candidate must be able to:-

- Review, monitor and record the health status of all pupils on entry to school in accordance with the Dubai Health Authority Guidelines
- Monitor/maintain and update student medical/health records on school core database.
- Liaise with Dubai Health Authority in arranging for them to deliver inoculation programmes.
- Keep records of all accidents to staff/students and visitors.
- Ensure that the medical room, facilities and first aid kits throughout the school are maintained to meet the school's requirements.
- Maintain and improve professional knowledge and competence, keeping up to date with professional, clinical and nursing issues relevant to work in schools.
- Work with all staff to identify and act to safeguard all pupils
- Monitor student visits to nurse to identify any potential problems
- Advise parents and staff on immunisation programmes and outbreaks of communicable diseases.

DESIRED SKILLS & COMPETENCIES:

- Minimum 2 years' experience working in a school in Dubai
- DHA license Native English speaker
- References required
