

GCSE Option Choices 2020-2021

As a British School that follows the National Curriculum for the UK the following courses are offered as a guideline to achieving the General Certificate of Education certificates for students aged 16. Under KHDA regulations (UAE government), students who hold an Arabic passport are required to study Arabic as a First Language. This means those students **must** take Arabic as a First Language in Option 1.

All students will study the following core subjects: English, Math, Science, Physical Education, UAE Moral Education and UAE Social Studies. Students then may chose up to 4 additional options to study. These will be discussed at interview.
